NOTICE

To All 2020 Applicants:

In light of the continuing issues related to the Covid-19 pandemic, the deadline for applications for this year's scholarships has been continued from April 3rd to June 5th. If circumstances warrant it may be necessary to extend it even beyond that date. We will post any revisions to the later date on this website. www.hmcsf.org.

Best of luck to all of you. Stay safe.
